## ***Important News about Special Events***

### ***Inclement Weather Guidelines***

During the winter months volunteers should follow these guidelines to determine if an event will take place in inclement weather as scheduled:

When Fairfax County School events are cancelled as a result of inclement weather, events at NVTC will be cancelled.

If you are concerned, please contact the Special Event Hotline at (703) 323-2653. A decision will be made at least four hours prior to the scheduled event.

If Fairfax County after school or evening activities are not cancelled or delayed, the event at NVTC will take place as scheduled. Rain alone will not cancel an event. Ice and/or snow will cancel an event.

In the case of cold, dry weather we still need volunteer support. However, residents will be transported to the event in vehicles. Volunteers will begin working with the residents when they arrive at the event.

### ***2009 Special Olympic Polar Plunge***

As tradition, the NVTC Therapeutic Recreation Department and friends are coming together as the team, "TR Junkies & Friends" to take part in the Special Olympics of Virginia Polar Plunge.

As a whole, plungers from all around Virginia raised \$850,00 in 2008! Raised funds have been used to provide residents at NVTC with uniforms and the opportunity to participate in both local and state competition throughout Virginia.

If you would like to donate to the Special Olympics of Virginia, please visit:
